A Message From The Service Manager

As another year draws to an end, it is an opportune time to reflect on the year past, 2017 has proved to be a very busy year indeed.

55 Community and Home Care Workers travelled 2,442 kms to provide 42,000 hours of Home Care, Personal Care, Respite, Property and Home Maintenance services along with a total of 27,446 delivered meals across the shire.

202 customers participated in 504 planned activity groups throughout the year, including centre based activities, long and short day outings, shopping trips, swimming programs, multicultural days, special celebrations and community events.

MHA Care prides itself on providing high quality services that support community members to remain living active, independent lives in their own homes and communities.

We look forward to 2018 with the same enthusiasm and commitment to providing home care services that meet the community's needs.

I would like to take this opportunity to wish you and all your families a happy, healthy and active Christmas and New Year.

Wendy Farrall, MHA Care Service Manager.

Christmas Fun Fact

Did you know for many German zoos, a high point of the animal year is the arrival of discarded Christmas trees. Thousands are fed to Elephants, Camels, Polar Bears and a variety of other animals. The trees are rich in Vitamin C and other healthy properties.
